ABOUT THE MISSION YMCA

The Mission YMCA has been serving the Inner and Outer Mission, Excelsior, Visitation Valley, Bernal Heights, Glen Park, Diamond Heights, and Noe Valley areas since 1887. Our service area encompasses 35% of the city's population and 50% of its children.

Each year, we serve thousands of families through our preschools, afterschool programming, summer camp, case management support, and senior programming.

Over 85% of our program participants receive financial aid and many of our programs are free or are offered at a very low cost.

The Y is, and always will be, dedicated to building healthy, confident, connected, and secure children, adults, and communities.

Over **700 YOUTH** attend our afterschool programs at five elementary school sites

Our Aging Well Together program allows **150 SENIORS** to gather, exercise and activate their social interests on a weekly basis

Our food pantry ensures over **150 FAMILIES** in our neighborhood do not go hungry each week

THE OPPORTUNITY

MAKE AN IMPACT, SPONSOR THE 27th ANNUAL MISSION YMCA PRO-AM

As a sponsor, you have the unique opportunity to engage with our wide-reaching YMCA community as well as your own employees and corporate networks by showing them your commitment to community impact.

Your sponsorship will be recognized across the YMCA of San Francisco's 14 branches and 120 off-site community locations in the Marin, San Francisco, and San Mateo counties. Over 100,000 people participate in our programs every year. We also have a wide-reaching network of volunteers through our partnerships with established companies across the Bay Area that serve on our branch boards and invest their time and energy in our community.

Your sponsorship will also directly improve the lives of those that need it most in our community. Proceeds from this event will support youth programs, social services for low-income families, senior programs, and financial assistance to make the Mission YMCA's programs accessible for all. Become a Y sponsor and partner with us in making a profound impact on the lives of our youth, adults, families, and seniors.
