ABOUT THE MISSION Y

The **Mission YMCA** has been serving the Inner and Outer Mission, Excelsior, Visitacion Valley, Bernal Heights, Glen Park, Diamond Heights, and Noe Valley areas since 1887. Our service area encompasses 35% of the city's population and 50% of its children.

We serve thousands of families each year through our preschool, afterschool programming, summer camp, case management support, and senior programming.

Over 85% of our program participants receive financial aid and many of our programs are free or are offered at a very low cost.

The Y is, and always will be, dedicated to building healthy, confident, connected, and secure children, adults, and communities.

Over **700 YOUTH** attend our afterschool programs at five elementary school sites

Our Aging Well Together program allows **150 SENIORS** to gather, exercise and activate their social interests on a weekly basis

Our food pantry ensures over **150 FAMILIES** in our neighborhood do not go hungry each week

THE OPPORTUNITY

MAKE AN IMPACT, SPONSOR THE 28th ANNUAL MISSION YMCA PRO-AM!

For 28 years, the Mission YMCA Pro-Am Golf Tournament has raised vital funds to support youth, families, and active older adults. This year, we ask for your help in reaching our goal of \$150,000 to continue this support.

As a sponsor, you have the unique opportunity to engage with our wide-reaching YMCA community and your employees and corporate networks by showing them your commitment to community impact.

Your sponsorship will improve the lives of those who need it most in our community.

PROCEEDS FROM THIS EVENT WILL SUPPORT:

**YOUTH
PROGRAMMING**

**SOCIAL SERVICES
FOR LOW-INCOME FAMILIES**

**SENIOR

**FINANCIAL
ASSISTANCE**

Become a Y sponsor and partner with us in profoundly impacting the lives of our youth, adults, families, and seniors.

Coming to the YMCA food pantry every week gets me out of the house, connects me with food, and provides social connection. I get to talk to my friends here.

- Food Bank (10 yrs) Mathilde Martinez

The Y has been a big help in my life, especially in my later years. When you're older, you need to socialize with people more. The program here is fantastic because you get to know all different types of people. We have lunch together, we dance together, we go on fieldtrips together like the ballet and different museums. There are so many things to do here! I have lived in this neighborhood for over 40 years, and I enjoy being a part of this community.
